#### Sporočilo umetnikov obiskovalcem

Izklopite telefon, privoščite si čaj, naslonite se nazaj in se prepustite potovanju skozi Anglijo 16. stoletja.

#### O projektu

Projekt vključuje ansambel instrumentov različnih družin, kakršne so bili v rabi v Angliji v 16. stoletju, kot tudi instrumentalno prakso »lomljena« melodije, oziroma načina okraševanja s številnimi drobnimi in hitrimi notami. Z glasbo Johna Dowlanda, Anthony Holborna, Williama Corkina, Tobiasa Huma in drugih predstavlja Prisma v tem programu celoten spekter angleške glasbe med renesanso in zgodnjim barokom. Imamo veliko prostora za bogastvo čudovitih napevov med težko melanolijo in opojnimi ritmi gostišč.

#### Program koncerta

Prisma predstavlja program, ki ga je pripravila na svoji rezidenci na Glasbeni kmetiji Pri Martinovih v Globočicah.

#### Artists' message to visitors

Turn off your cellphone, have a tea, lean back and let us take you on a tour through 16th century England!

#### About the project

This project includes an ensemble of instruments of different families of 16th-century-England as well the instrumental practice of "breaking" a melody line, i.a. ornament it with many small and fast notes. In this program with music by John Dowland, Anthony Holborne, William Corkine, Tobias Hume and others, Prisma presents the full range of english music between Renaissance and early Baroque. There's plenty of room for beautiful tunes between the heavy melancholy and the intoxicating rhythms of the taverns!

#### Concert programme

Prisma presents the program they prepared at their residency at the Musical farm Pri Martinovih in Globočice.

## O koncertnem programu

Britanski otoki so bili vedno posebni, kar se tiče glasbe. Ob prelomu stoletja okrog leta 1600, medtem ko so glasbeniki na celini izumljali opere in peli virtuozne monodije, so angleški skladatelji instrumentalno polifonijo razvili do najvišje popolnosti in očarali dušo s sladkimi melodijami in drzno harmonijo. V programu glasbe Broken Consort, ali mešani consort, kjer zasedba vključuje instrumente različnih družin, raziskujemo glasbo dvora, dvoran in ulic ter pivnic. Povezava visoke umetniške in intelektualne glasbe z napevi, kot so Cate of Bardie ali The Punk's Delight z našim mešanim instrumentalnim consortom, prinašajo najboljši zvok homogenih skupin, kot so consort kljunastih flavt ali viol da gamba. V zgodnji angleški baročni glasbi je broken consort ansambel z instrumenti več kot ene same družine, na primer skupine godal ali pihal. Izraz broken (zdrobljen) se v elizabetinskem obdobju nanaša predvsem na delitev, prelom dolgih tonov v krajše. »To je svetleč učinek te 'sladke zdrobljene glasbe', ki od takrat pa vse do danes očara občinstvo« (Harwood 1978).

## About the concert programme

The British Isles have always been special regarding music. At the turn of the centuries around 1600, while musicians on the continent were busy inventing opera and singing virtuoso monodies, English composers brought polyphonic instrumental music to its highest perfection, enchanting the soul with sweet melodies and crazy harmonic structures. In this program about Broken Consort Music, we explore music from the court, the chamber, and the streets and pubs. This fusion of highly artistic and intellectual music with tunes like Cate of Bardie and The Punk's Delight with our mixed instrumental consort brings forward the best of sounds from the homogeneous groups like recorder or viol consort. In early English Baroque music, a broken consort is an ensemble featuring instruments from more than one family, for example a group featuring both string and wind instruments. The term "broken" in the Elizabethan period refers primarily to division, the "breaking" of long notes into shorter ones. "It is the shimmering effect of this 'sweet broken music' that so delighted audiences then and continues to cast its spell today" (Harwood 1978).

**PRISMA** že od samega začetka obstoja skupine potuje po Evropi: Nemčija, Avstrija, Francija, Velika Britanija, Italija, Latvija, Romunija, Češka, Slovenija. Štirje mladi glasbeniki so se povezali v ansambel z namenom, da izvajajo še posebej ekspresivno, nenavadno in barvito glasbo 16. in 17. stoletja. Göttinger Tageblatt je zapisal, da »daje ta resnično živahnna umetnost interpretacije skupaj s tehnično popolnostjo, lepoto zvoka in ravnotežjem vtis, da je vsaka fraza izumljena prav v trenutku izvedbe«. Maja 2015 je Prisma osvojila prvo nagrado na mednarodnem tekmovanju Heinrich Ignaz Franz Biber v Avstriji. Zatem so bili povabljeni, da koncertirajo na Biber Festivalu na Dunaju, na Reihe Historischer Musik v okviru Händel-Festspiele v Göttingenu, na On Air Zahodnonemškega radia in na avstrijskem radiu Ö1. V obdobju od 2016 do 2018 so del programa eeemerging (Centre culturel de rencontre d'Ambronay). Glasbeni novinar Leszek Bernat je o predstavitvi skupine na festivalu EEEmerging v Ambronayu zapisal: »Prisma je očarala občinstvo, ki ga je navdušila njihova muzikalnost, popolno medsebojno razumevanje glasbenikov, umetnosti ornamentike in radosti pri ustvarjanju glasbe. Ni čudno, da je ta skupina osvojila nagrado občinstva.«

**ELISABETH CHAMPOLLION** je končala študij kljunaste flavte pri Hanu Tolu v Bremnu in Pierru Hamonu v Lyonu. Je dobitnica prve nagrade na Nordhorn Recorder Festival 2014 in je štipendistka Nemškega Sveta. Je umetniški vodja koncertne serije Gröpelinger Barock v Bremnu. Koncertne turneje kot solistka z orkestri New Dutch Academy (dirigent Simon Murphy) in Elbipolis Barockorchester Hamburg (dirigent Jürgen Groß) so ji omogočile solistične, komorne in orkestrske nastope na Raad van State v Den Haagu, Istanbulskem festivalu, Premiere Performances v Hong Kongu MDR Musiksommer in Tage Alter Musik Herne.

**FRANCISKA ANNA HAJDU** prihaja z Madžarske. Violino je študirala na glasbenem institutu Varga Tibor, temu pa je sledil študij baročne violine z Veroniko Skuplik na Hochschule für Künste v Bremnu. **PRISMA** has been touring Europe from the very beginning of the group's existence: Germany, Austria, France, Great Britain, Italy, Latvia, Romania, Czech Republic, Slovenia. The ensemble of four young musicians get together to play the particularly expressive, wacky, and colourful music of the 16th and 17th century. The Göttinger Tageblatt states that "*this truly vivid art of interpretation – together with technical perfection, beauty of sound and balance – brings the impression that every phrase is invented in the very moment.*" In May 2015, Prisma won 1st Prize at the International Heinrich Ignaz Franz Biber Competition in Austria. Following this, they have been invited to give concerts at the Biber Festival in Vienna, the Reihe Historischer Musik der Händel-Festspiele Göttingen, and on air with the Westdeutscher Rundfunk and Ö1 – Österreichischer Rundfunk. In 2016, 2017 and 2018, they are accepted to be part of the programme "Emerging European Ensembles" (Centre culturel de rencontre d'Ambronay). Music journalist Leszek Bernat wrote about the group's appearance at Ambronay "EEEmerging" Festival: „Prisma enchanted the audience which was captivated by their musicality, perfect understanding between the musicians, art of ornamentation and the joy of making music together. No wonder this group won the Audience Price.“
