Agradecemos de estar una vez más en Slovenia,
y encantados por la acogida tan especial del público.
Un placer muy grande haber compartido estos días
con personas tan maravillosas. Felices de poder comuni-
carnos en el idioma más bello que existe "la música",
y poder llevar en ella nuestro agradecimiento y amor.

profesionalno organizovan te koncipiran. Nestupanje

È stato un grande piacere e un'emozione cantare
in queste piccole/grande chiese di Istria.

Quando le musiche risuonano in posti del grande
significato spirituale cambia i cuori di chi
le fa e di chi l'ascolta.

Grazie per l'invito, speriamo di ritornare.

Dear Klemen, thank you to invite us, 6 years after our first concert in your festival. It's always a pleasure to be here, in this beautiful country. I hope there will be others occasions for us to play in the Brežice Festival! And a special thank to Gasper, he was a nice driver!

Clémence HOYRUP

Dear Klemen,

A lot of thanks for your support toward La Ca'd'Oro since 7 years! It's a pleasure for us to be here once again, enjoying wonderful Slovenian landscapes, castles, concert halls...
