Thank you very much for inviting us again to your wonderful festival! It was a special treat to stay in Grad Castle. :) We loved the fantastic audience who appreciated our music so much with lots of applause, and the great care for us! We wish your festival a great success, and hope to see you again in the future. :) ♥

Here we go again! EUBO played here in 2009, and we have missed you very much since then! Great to be back in this wonderful city and concert hall. Thank you, Plenen, and may this Festival last forever!
