Melodije in palimpsesti sveta v nastajanju *Melodies and palimpsests of a world in formation*

Palimpsest je stran rokopisa, ki so mu izbrisali besedilo, da bi ga lahko ponovno uporabili. Recikliranje, ki je bilo pogosto v obdobjih, ko je bil pergament preveč dragocen, da bi ga uporabili le za eno besedilo. Na palimpsestu dve besedili in dve obdobji prebivata na isti lokaciji, ena pokriva drugo. Seconda Pratica vabi svoje občinstvo k programu, posvečenemu zapletenemu postopku širjenja in mutacije, ki je značilen za repertoar kolonialnega baroka: prekrivanje dveh resničnosti; stari svet, ki ga na novo piše nova Evropa. A palimpsest is a manuscript page whose text was scraped off so it could be used again, a process which was common in periods where parchment was too valuable to be wasted on one text alone. In the palimpsest two texts and two eras inhabit the same location, one covering the other. Seconda Pratica invites our audience to a program dedicated to the complex process of expansion and mutation that marks the repertoire of colonial baroque: an Old World being rewritten by a New Europe.
