

POZIV

predsedniku Vlade Republike Slovenije dr. Robertu Golobu
z opisom problema in zakonskimi osnovami je objavljen [tukaj](#)
Ob koncu poziva je prošnja, da sporočite svoje mnenje.

Ljubljana, 22. februarja 2024

Spoštovani predsednik Vlade Republike Slovenije dr. Robert Golob,

Vlada RS na sektorju Ministrstva za kulturo že vrsto let, vsaj od 2018 zavestno krši zakonsko zagotovljeno pravico do zagovora pri prijavah na javne razpise na področju kulture.

Javno pozivam Vas in Vlado Republike Slovenije, da to anomalijo demokratičnih odnosov in manko upoštevanja zakona nemudoma odpravi ter povrne moralno in poslovno škodo, ki jo je povzročilo namerno umikanje zakonsko zagotovljene pravice do zagovora.

Pozivam Vas, da se nujno uveljavi zakonsko opredeljeni pravico do zagovora in mediacijo. Trenutno prijavitelji pričakujemo nove ocene strokovne komisije in če ne bo sprememb, bodo ponovno padali najboljši projekti.

Klemen Ramovš

APPEAL

to the Prime Minister of the Republic of Slovenia Dr Robert Golob
in English translation on the Slovenian page
with a description of the problem and the legal basis is published [here](#)
At the end of the appeal, you are asked to give your opinion.

Ljubljana, 22. February 2024

Honourable Prime Minister of the Republic of Slovenia, Dr Robert Golob,

For many years, at least since 2018, the Government of the Republic of Slovenia in the sector of the Ministry of Culture has been knowingly violating the legally guaranteed right to defence when applying for public tenders in the field of culture.

I publicly call on you and the Government of the Republic of Slovenia to immediately eliminate this anomaly of democratic relations and lack of compliance with the law and to compensate for the moral and business damage caused by the deliberate withdrawal of the legally guaranteed right to defence.

I urge you to enforce the legally defined right to defence and mediation as a matter of urgency. Currently, the applicants are waiting for new evaluations by the expert commission, and if there are no changes, the best projects will fall again.

Klemen Ramovš
