

[English below](#)

Vsem našim obiskovalkam, umetnicam, partnericam, podpornicam in vsem ženskam, kjerkoli že ste, iskreno čestitam ob Vašem prazniku, Mednarodnem dnevu žensk. Želim Vam, da ideja 8. marca traja vse leto.

Med umetniki programa Seviqc 1997-2023 Vas je bilo 50,11 % (1.153 od 2.301) ženskega spola, če beležimo vsakega umetnika samo enkrat ali 51,44 % (2.668 od 5.187), če beležimo nastope umetnikov.

Ti odstotki niso zaradi preference po spolu ampak izključno zaradi preference po kvaliteti predlaganih in v program sprejetih programskih predlogov. To pomeni močno izenačenost spolov na področju stare glasbe v mednarodnem merilu, kar je odraz razvitih demokratičnih odnosov.

Pri programu Seviqc bomo še naprej nedosegljivi za slabe prakse diskriminacije. Sicer pa se tehnika nagiba enkrat bolj v to in drugič v drugo smer, dejanski odnos pa odraža povprečje več let. V 2024 bo naš festivalski program oblikovalo 61,11 % (22 od 36) umetnikov ženskega spola.

Iskreno,
Klemen Ramovš

To all our visitors, artists, partners, supporters of the female gender and all women, wherever you are, I sincerely congratulate you on your holiday, International Women's Day. I wish you that the idea of March 8 lasts all year.

Among Seviqc artists 1997-2023, 50.11% (1,153 of 2,301) were female when recording each artist only once, or 51.44% (2,668 of 5,187) when recording artist appearances.

These percentages are not due to preference by gender, but solely due to preference by the quality of the programme proposals proposed and accepted into the programme. This means strong gender equality in the field of early music on an international scale, which reflects developed democratic relations.

At Seviqc, we will continue to be inaccessible to bad practices of discrimination. Otherwise, the scale tilts one way and the other, however, the actual ratio reflects an average over several years. In 2024, 61.11% (22 out of 36) of female artists will form our festival programme.

Sincerely,
Klemen Ramovš
