Na platformi WEMOVE EUROPE smo objavili peticijo [Zahtevamo pravico do zagovora pri sofinanciranju nevladne kulture](#).

Danes smo iz Berlina prejeli še izpis komentarjev podpisnikov, ki ga objavljamo v [zadnji novici na vstopni strani](#) in v [Sporočilih](#).

Zanimivo je prebrati, kaj javnost meni o zahtevi peticije.

Peticija ima trenutno 232 podpisov, vabimo Vas, da podpišete tudi Vi. Za vrhunske in mednarodno uveljavljene projekte, ki niso niti populistični niti nimajo posebnih zvez v politiki, je pravica do zagovora, ki jo zahteva ta peticija, osnovni gradnik eksistence.

On the WEMOVE EUROPE platform, we published the petition [We demand the right to defence in the co-financing of non-governmental culture](#).

Today we also received from Berlin a printout of the signatories' comments, which we publish in the [latest news on the entry page](#) and in [Communications](#).

It is interesting to read what the public thinks about the petition request.

The petition currently has 232 signatures, we invite you to sign it too. For high-end and internationally established projects, which are neither populist nor have special connections in politics, the right to defence demanded by this petition is a basic building block of existence.
