[Novi pozivi k izključitvi Izraela: "Ne more veljati eno pravilo za Rusijo in drugo za Izrael"](#)

Tudi festival Seviqč se ne more izogniti dvojnemu merilu, sicer bi uničili njegov mednarodni značaj, ker je kršenje človekovih pravic in osnovnih načel človečnosti žal zelo široko prisotno.

Pri potrjevanju programa [blokada ruskih in izraelskih državljanstev](#) ni usmerjena proti umetnikom, ampak tem dvema državam. Ruski in judovski umetniki imajo poln dostop do povabila, če imajo neko drugo državljanstvo ali politični azil druge države in so izpolnili umetniške pogoje festivala.

Vabim k podpisu peticije [Eurovision: no stage for Israel's war crimes](#) in sem ponosen, da je pobuda poleg Španije in Islandije prišla tudi iz Slovenije.

[New Calls to Exclude Israel: "One Rule Cannot Apply to Russia and Another to Israel"](#)

Even the Seviqč festival cannot avoid double standards, otherwise its international character would be destroyed, because the violation of human rights and basic principles of humanity is unfortunately very widespread.

When confirming the programme, [the blockade of Russian and Israeli citizenships](#) is not directed against the artists, but against these two countries. Russian and Jewish artists have full access to the invitation if they have another citizenship or political asylum from another country and have fulfilled the artistic conditions of the festival.

I invite you to sign the petition [Eurovision: no stage for Israel's war crimes](#) and I am proud that the initiative came from Slovenia in addition to Spain and Iceland.
