Poletni pobegi z zvoki stare glasbe / Summer escapes with the sounds of early music
Resolucija / Resolution

English below

Spoštovani prijatelji,

pri festivalu Seviqc že ves čas beležimo, od kje sprehajajo naši obiskovalci. Pri tem opazamo, da večina naših obiskovalcev pride iz krajev zunaj kraja koncerta. Teh je bilo v zadnjih 10 letih povprečno 71,5 %. To razumemo kot prispevek v razvoj kulturnega turizma. Več statističnih podatkov o tem je v dokumentu [Statistika obiskovalcev po rezidencah 2008-2024](#).

Poletni pobegi z zvoki stare glasbe so nadgradnja dosedanjih prizadevanj s področja kulturnega turizma, ki jih je pripravil Zavod Celeia Celje. Povezava na ponudbo kulturno turističnih paketov je na naši spletni strani v meniju [Vabilo](#).

Kultura je motor trajnostnega turizma. Ars Ramovš je sprejel [Resolucijo o razvojnem potencialu povezovanja kulture in turizma na primeru festivala Seviqc kot modela kulturno-turističnega razvoja](#)

Lepo Vas vse pozdravljam
Klemen Ramovš

Dear friends,

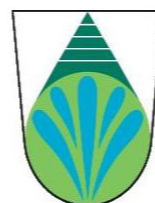

At the Seviq festival, we have always recorded where our audience members come from. We have observed that most of our visitors attend concerts in places other than their own residence. Over the past ten years, an average of 71.5% of our audience has come from outside the concert location. We see this as a contribution to the development of cultural tourism. More statistical data on this topic is available in the document [Visitor statistics by residence 2008–2024](#).

Summer escapes with the sounds of early music are a continuation and upgrade of past cultural tourism initiatives developed by the Celeia Celje Institute. You can find a link to our cultural tourism packages on our website under the [Invitation](#) menu.

Culture is a driving force of sustainable tourism. Ars Ramovš has adopted a [Resolution on the development potential of connecting culture and tourism, using the Seviq festival as a model of cultural-tourism development](#).

Warm regards to all of you,
Klemen Ramovš

HVALA / THANKS
