Prednostna vstopnica Seviqc 2026 – nova možnost zgodnjega nakupa **Priority Admission Ticket for Seviqc 2026 – A New Early Purchase Opportunity**

English below

Dragi ljubitelji stare glasbe in prijatelji festivala Seviqc,

z modelom stopničaste predprodaje želimo obiskovalcem omogočiti cenovno dostopnejši nakup vstopnic in hkrati zagotoviti stabilnejši razvoj festivala. Ta model se je izkazal kot uspešen: že decembra 2024 smo za Seviqc 2025 prodali 15,6 % vseh vstopnic, kar je tretji najboljši mesec, takoj za julijem in avgustom 2025.

Program festivala Seviqc 2026 je pripravljen, vendar ga zaradi odprtih razpisov še ne moremo objaviti. Ta hip lahko le najavimo, da ga pričenjamo v petek, 7. avgusta 2026, in ga zaključujemo v petek, 21. avgusta.

Programski predlog je sicer dorečen v podrobnosti, ker pa še čakamo na izide razpisov in ne vemo, ali ga bomo lahko potrdili v celoti, ga bomo predvidoma objavili marca 2026.

Prodaja vstopnic se bo začela hkrati z objavo programa. Začetna cena vstopnic bo 20,00 EUR, nato pa se bo postopno dvigala do 35,00 EUR v času koncertov. Vsi popusti in ugodnosti ostajajo enaki kot v letu 2025.

Da bi ohranili prednosti zgodnje predprodaje, smo pripravili **PREDNOSTNO VSTOPNICO**, dokumentirano z oštevilčenimi fizičnimi kuponi. Naročila potekajo elektronsko kot doslej, kupone pa prejmete priporočeno po pošti.

Cena prednostne vstopnice je 10,00 EUR.

Za kateri koncert boste kupon uporabili, se boste odločili po objavi programa. Kupci kuponov prednostnih vstopnic boste o potrjenem programu obveščeni teden dni pred javno objavo, kar pomeni, da boste lahko izbirali med vsemi razpoložljivimi vstopnicami.

Če kupona iz kakršnegakoli razloga ne boste mogli porabiti v letu 2026, ga lahko izkoristite za koncerte Seviqc 2027 ali Seviqc 2028. Prodaja prednostnih vstopnic je mogoča samo do objave programa 2026. Po objavi programa nakup kuponov ne bo več mogoč. Ponovno jih bo mogoče kupiti po zaključku festivala 2026, in sicer za program 2027–2029. Prednostne vstopnice bodo torej vedno na voljo v obdobju med zaključkom enega festivala in objavo programa naslednjega.

Ob naročilu vstopnic boste namesto plačila navedli evidenčno številko kupona. Vstopnice boste nato prejeli po elektronski pošti, tako kot doslej.

Kuponi so prenosljivi in primerni kot darilo.

Prijatelji, ki jim jih boste podarili, bodo vstopnice naročali z navedbo številke kupona.

Za nakup kuponov naročilnica ni potrebna.

Število zelenih kuponov nam sporočite po elektronski pošti (info@k-ramovs.si) ali po telefonu (041 67 40 60). Po izdaji predračuna in prejemu plačila vam bomo kupone poslali priporočeno na Vaš naslov.

Lepo Vas pozdravljam,
Klemen Ramovš

Dear lovers of early music and friends of the Seviq festival,

with our tiered pre-sale model we aim to offer visitors a more affordable way to purchase tickets while ensuring a more stable development of the festival. This model has proven successful. Already in December 2024 we sold 15.6% of all tickets for Seviq 2025, which was the third most successful month, immediately after July and August 2025.

The programme of the Seviq 2026 festival has been prepared, but due to ongoing public calls we cannot publish it yet. At this moment we can only announce that the festival will begin on Friday, 7 August 2026,

and conclude on Friday, 21 August. The programme draft has been finalised in detail, but as we are still awaiting the results of the calls and do not yet know whether we will be able to confirm it in full, we expect to publish it in March 2026.

Ticket sales will begin once the programme is announced. The initial ticket price will be EUR 20.00 and will then gradually rise to EUR 35.00 during the concert period. All discounts and benefits remain the same as in 2025.

To preserve the advantages of early pre-sale, we have prepared the **PRIORITY ADMISSION TICKET**, documented with individually numbered physical coupons. Orders are placed electronically as before, and the coupons will be sent to you by registered mail.

The price of the Priority Admission Ticket is EUR 10.00.

You will decide for which concert you will use the coupon once the programme has been published. Buyers of Priority Admission Tickets will be informed of the confirmed programme one week before the public announcement, which means that you will be able to choose from all available tickets.

If, for any reason, you are unable to use the coupon in 2026, you may redeem it for concerts in Seviq 2027 or Seviq 2028. The Priority Admission Ticket can only be purchased until the publication of the 2026 programme. After the programme is published, the purchase of coupons will no longer be possible. They will again be available after the conclusion of the 2026 festival, for the programme of 2027–2029. Priority Admission Tickets will thus always be available in the period between the conclusion of one festival and the announcement of the next programme.

When ordering tickets, you will provide the coupon's reference number instead of payment. You will then receive the tickets electronically, as before.

The coupons are transferable and suitable as gifts.

Friends to whom you may give them will order their tickets by quoting the coupon number. A purchase order form is not required.

Please inform us of the number of coupons you wish to purchase by email (info@k-ramovs.si) or by telephone (+386 41 67 40 60). After issuing the pro forma invoice and receiving your payment, we will send the coupons to your postal address by registered mail.

Yours sincerely,
Klemen Ramovš
