V operah za otroke je zadolžena tudi za tehnično brezhibno izvedbo predstave. V svojih mladih letih je obiskovala oddelek za balet Zavoda za glasbeno in baletno izobraževanje - ZGBI Ljubljana pri prof. Lidiji Wisiak. Plesala je v klasičnih in sodobnih baletnih predstavah operne hiše in v baletnih vložkih pri operah. Svojo poklicno baletno kariero je zaključila kot solo zbor in se leta 1998 upokojila. Med upokojitvijo je nekaj časa balet poučevala tudi umetnostne drsalce v Drsalnem klubu Stanka Bloudka v Ljubljani.

Helena Grom Krečan is the "girl for everyone" in OperAria's children's opera performances. She prepares dance choreographies for the show, makes sure that costumes, props and scenic elements are not missing at performances and concerts, takes care of the strength of the costumes, even sews them, repairs them, etc. In children's operas, she is also responsible for the technically flawless performance of the performance. In her young years, she attended the ballet department of the Institute for Music and Ballet Education - ZGBI Ljubljana under prof. Lidia Wisiak. She graduated in 1974, and after passing an audition, she was accepted the same year and later employed at SNG Opera and Ballet Ljubljana. She danced in classical and contemporary ballet performances of the opera house and in ballets at operas. She ended her professional ballet career as a soloist and retired in 1998. During her retirement, she also taught ballet for a while to figure skaters at the Stanko Bloudek Skating Club in Ljubljana.
