Zadeva: Hvala za Vašo podporo

Ob začetku novega leta se zahvaljujem vsem, ki ste nas podprli. Z odličnimi koncertnimi programi, polnimi kreativne inovativnosti, partnerstvu v projektu eeemerging in briljantno izpeljano konferenco REMA, je izvedeni program še nadalje utrdil pomen festivala Seviqc Brežice na evropskem kulturnem prostoru.

Da lahko svoje poslanstvo še naprej izvajamo, ste donatorji zelo pomembni, zato se iskreno zahvaljujem vsem, ki ste svojo donacijo iz svoje dohodnine namenili prav nam. Vesel sem, da smo med tistimi kulturnimi organizacijami z največ donatorji, število naših donatorjev narašča bolj od povprečja, prav tako je znesek donacije višji od povprečja. Ta podpora je tako finančna kot moralna, je spodbuda in argument, da smo potrebni, je dobra popotnica, da prepričamo še katerega nujno potrebnih investitorjev.

V več kot treh desetletjih načrtnega razvoja smo postavili čvrsto in mednarodno uveljavljeno blagovno znamko, s katero lahko več kot drugi naredimo za razvoj kulturnega turizma in s čimer neposredno prispevamo v ekonomski razvoj naših festivalskih okolij.

Vesel bom, če nas boste podpirali tudi naprej, Vas lepo pozdravljam in Vam vsem želim s Kreacijo in Pogumom napolnjeno 2017.

Klemen Ramovš,
umetniški vodja in direktor Seviqc Brežice

At the beginning of a New Year, let me first thank everyone for their support. Excellent concert programmes brimming with innovative creativity, our partnership in the eeemerging project, and the brilliant conduct of the REMA conference all additionally consolidated the relevance of the Seviqc Brežice Festival in the European culture area.

Donors are immensely important to our being able to continue with our mission, therefore we sincerely thank everyone who dedicated a proportion of their income tax to us. I am happy to report we are among the cultural organisations with the most donors, that the number of our donors is increasing faster than on average, and that donations are higher than average. The support is both financial and moral, it is an incentive and an argument advocating that we are needed, and it can go a long way in helping us convince additional, urgently needed investors.

In over three decades of planned development we have set up a strong and internationally renowned brand. In comparison with others, our brand has the potential to make a major contribution to the development of cultural tourism and thus directly fuel the economic development of our festival locations.

We take pride in your continued support.

May 2017 be filled with Creation and Courage for all.

Best regards,

Klemen Ramovš,
Artistic Director and Director of Seviqc Brežice
